

*A Course In Miracles International  
Invites You To*

**INTERNATIONAL WEEK OF  
FORGIVENESS AND PERFECT PEACE**  
**September 19-25, 2016**

**A Universal Celebration**

*A global festival celebrating the freedom and peace  
that the healing power of love and forgiveness  
is bringing to all the world.*

*It's a Miracle*

**The Advent of A Great Awakening**

*You are invited...*

**We will share together through single acts of reconciliation, our own joyous realization of the Eternal Creating Reality of this Universe - a Reality of which we are all individually and in consort, through the power of forgiving love, an indivisible part.**

Each of us carries a message of miraculous spiritual recovery, and in a quantum instant of forgiveness, we serve as an agency for the certainty that the light and love of true happiness surrounds us all.

**We will practice a week, or a day, or an hour, or even an instant of happy forgiving and forgetting of all the grievances we hold against each other and the world. Let's get rid of our grudges. We're going to let bygones be bygones at last! We'll forgive together and watch this world change before our very eyes. Come join in the miracle healing power of the love and light of Jesus.**

*"Behold, I show you a mystery we shall not all sleep,  
but we shall all be changed in a moment,  
in the twinkling of an eye..."*

**Join the celebration, just as you are and wherever you are, for any reason at all.**

New avenues of communication among our species are being opened through the direct application of the healing power of our human minds to forgiveness. Heal and be healed. Let this be "a new beginning" for you.
